

Light Up the Trail

Holiday Light Display Campaign

The Waterford Heritage Trail Association will be lighting up several trees along the trail path beginning near the Alice Street parking lot.

We are seeking Sponsors for each of approximately 15 trees. The trees will be lit with C9 LED string lights nightly from mid-late November through to the New Year.

You can sponsor one of the lit trees by donating \$50.00 to the Waterford Trail Association. These trees will add a beautiful festive touch to the trail and downtown Waterford.

Sponsors will be recognized for their donation on signs erected at each tree. Your donation can be made on behalf of an individual, a family, an organization or business, in memory of a loved one or anonymously.

The Trail Association and volunteers appreciate your support in this initiative.

Your donation of \$50.00 will provide sponsorship of a single tree.

Payment can be made in cash, cheque or e-transfer to waterfordheritagetrail@yahoo.ca

Further information can be obtained by emailing waterfordheritagetrail@yahoo.ca

Please provide name, address and who the donation is on behalf when submitting payment. We ask that you do not use the Canada Helps platform for these donations.
